# Uninsured and Self-Pay Patients

*Your right to a Good Faith Estimate*

## Your rights under the law

You have the right to a written estimate of your medical bill (called a Good Faith Estimate) when:

- Your appointment is scheduled 3 or more days in advance *and*
- You will not be using insurance to pay for the visit or, you do not have insurance.

You may also request an estimate if one is not automatically provided. Providers not affiliated with Fairview can also give you an estimate.

The Good Faith Estimate will include the expected charges of the item or service, such as: the cost of a non-emergency clinic visit, plus any lab tests, procedures and supplies.

**Make sure to save a copy or photo of your Good Faith Estimate.** If you receive a bill from us that is at least \$400 more than your estimate, you can dispute it. This must be done within 120 days of receiving the bill.
